Petunjuk - Instruction :

Penurunan jenis hanya dapat dilakukan di akhir bulan. Bila Pelanggan ingin merubah jenis layanan menjadi yang lebih tinggi, maka harus membayar selisih biaya Registrasi dari jenis layanan baru yang diinginkan di bulan berjalan. Untuk penurunan jenis layanan ke Anywhere Basic, apabila tidak ada konfirmasi dari Pelanggan, maka semua alamat email yang diasosiasikan di Customer ID tersebut akan dihapus. - Downgrading service can only be done at the end of the billing cycle. To Upgrade a service Type, customer has to pay registration charge of the new service type as per deducted with registration charge already paid for the first service. For any service downgrade to Anywhere Basic, should there be no confirmation from the Customer, any associated email address within the Customer ID will be deleted.
